

## THE ROLE OF THE AGC

### Introduction

The Trust is one family of academies seeking to fulfil its vision:

*'For every child, within our Trust, to experience an excellent education  
and to realise their God-given potential to flourish.'*

However, each academy is unique; each was established as a church school in the local community to serve that community and each has a vision linked with the Trust vision.

### What is the role?

There are 2 key elements to the role of AGCs.

- **Vision and Values:**
  - Help the academy set and review their local, contextual vision and values, aligned with the Trust's vision
  - Monitor and support the academy to ensure the vision is being 'lived out' in every aspect of academy life
  - Preserve and further develop relationships with the community, and in particular with the church, in line with the academy's and Trust's vision and values.
- **Delegated functions:**
  - Carry out functions which have been specifically delegated to them as formal committees of the Board.

Local governors have a vital role in being the 'eyes and ears' of the Trust, to help the Trust to gain assurance that each academy is meeting its obligations. Details of the responsibilities that have been delegated to AGCs can be found in the Scheme of Delegation ([see Governor Hub for document](#)) and are also set out below.

### How AGCs undertake their role

Although AGCs do not hold to account, they fulfil a vital monitoring role through observing, listening and asking appropriate questions.

To effectively monitor and support (including dealing with questions raised by parents), governors need contextual information to help them understand the academy's current position in terms of challenges and causes for celebration. This is provided by the Headteacher in their report – the 'Academy on a Sheet', the format of which can be found on [Governor Hub](#). This is shared with governors at each AGC meeting (i.e. 6 times per year).

When monitoring any aspect of academy life governors should also check which policies are applicable and familiarise themselves with those policies.

Following any monitoring, individual governors should feedback their findings and make any recommendations (but not make any judgements) to the Headteacher. They should then prepare a report to share with other governors at the next AGC meeting.

<b>Summary of Responsibilities</b>	
<p><b>Vision and Values</b></p> <ul style="list-style-type: none"> <li>• <b>Help the academy set and review their local, contextual vision and values, aligned with the Trust’s vision</b></li> <li>• <b>Monitor and support the academy to ensure the vision is being ‘lived out’ in every aspect of academy life</b></li> <li>• <b>Preserve and further develop relationships with the community, and in particular with the church, in line with the academy’s and Trust vision and values.</b></li> </ul>

<p><b>AGCs must:</b></p> <ul style="list-style-type: none"> <li>• Periodically review and revise the academy’s vision and values and at every opportunity reinforce them</li> <li>• Monitor if the vision and values are being ‘lived out’ in all aspects of the life of the academy and the community to see whether, and how, the vision enriches the lives of those in their community</li> <li>• Support the academy in living out its vision and values</li> <li>• Build and develop relationships with the whole community and, in particular, the local church.</li> </ul> <p><b>The AGC achieves this by:</b></p> <ul style="list-style-type: none"> <li>• <b>Gaining the voice of stakeholders:</b> <ul style="list-style-type: none"> <li>○ all pupils</li> <li>○ parents/carers</li> <li>○ staff</li> <li>○ church and community</li> </ul> </li> </ul>	<p>Whilst surveys can have a role to play in obtaining ‘the voice’, spending time talking to people, listening and getting to know them can produce a far more accurate reflection of the situation. and in particular in relation to the following groups:

- SEND – observing, asking appropriate questions and listening to understand the experience of:
  - pupils with SEND and their parents/carers
  - staff with disabilities and long-term conditions and
  - the SENCO and other staff supporting those with SEND
- Disadvantaged (including PP, looked after and previously looked after children) - monitoring to ascertain whether, for example, the academy's statement in relation to equalities, vision and ethos is reflected in the provision for these children.
- Pupils with medical needs.
- **As per the SIAMS Schedule, monitor the impact of the academy's vision on pupils and adults and its effectiveness in enabling pupils and adults to flourish.**

through the academy can be a good way of achieving this (e.g. a boy and girl from Reception, KS1 and KS2).

Natalie Packer, the Trust's SEND Consultant, has put together a webinar for governors to provide information about SEND:

- *An overview of SEND - see Governor Hub*

Academy's equalities statement:

- *This is in the appendix to the 'Equalities Information and Objectives' document – see academy website.*

All church schools have a SIAMS Inspection which focuses on the impact of the church school's Christian vision on pupils and adults. This involves looking at:

- the academy's Christian vision
- how effectively the provision reflects this vision; and
- how effective this provision is in enabling all pupils to flourish.

Church schools employ a variety of strategies appropriate to, and reflective of, their particular context in order to be distinctively and effectively Christian in their character and ethos. SIAMS inspectors therefore do not look for a set template of what a church school should be like, but rather take the particular context of the school into account and base their evaluation on the outcomes rather than the process.

The Evaluation Schedule has one inspection question:

***How effective is the school's distinctive Christian vision, established and promoted by leadership at all levels, in enabling pupils and adults to flourish?*** This is explored through seven strands:

- Vision and Leadership
- Wisdom, Knowledge and Skills
- Character Development: Hope, Aspiration and Courageous Advocacy
- Community and Living Well Together
- Dignity and Respect
- The impact of collective worship
- The effectiveness of religious education

There are the webinars for governors to train and support them in this aspect of their role. The academy Diocesan Schools Consultant (DSC) works with the Headteacher and governors in the delivery of this training.

*Webinars:*

- *Vision and Values*
- *SIAMS – what it is and why we have it*
- *SIAMS – Monitoring and evaluating your school as a church school*
- *Church school ethos*
- *Local church local school*
- *Collective Worship*
- *Monitoring RE*

*See Governor Hub as to how to access these webinars.*

- **Community engagement**

- Academy community

- *Wellbeing* - monitor the wellbeing of both staff and pupils
- *Support* - support the staff. The Chair has a particular role in supporting the Headteacher; being a 'sounding board' and 'critical friend' outside of AGC meetings.

- Church community

Collaborate with the local church to secure:

- active involvement in the life of the academy e.g., leading collective worship, involvement in delivery of the RE curriculum
- Chaplaincy i.e., 'presence' in the academy e.g. to support staff wellbeing, attendance at parent events.

There is an increasing recognition generally of the importance of wellbeing and good mental health and governors have a role to play in monitoring the wellbeing of both staff and pupils. To assist governors there are the following:

- *Webinars on Staff wellbeing and pupil wellbeing – see Governor Hub*
- *Monitoring forms for pupil wellbeing and staff wellbeing – see Governor Hub*

*The Trust has a Wellbeing Charter, and each academy has its own action plan:*

- *Trust Wellbeing Charter – see Governor Hub*
- *academy action plan – Headteacher to provide.*

The relationship between local church and church school is not just an historic heritage but should be a living reality. Nurturing and developing this relationship is of mutual benefit to the academy and church and often a pathway to wider community engagement.

*See above for webinar on 'Local church local school'*

Our Diocese is part of the 'Growing Faith Adventure' which 'seeks to bring together the three spheres of church, school, and household – in how we think and in what we do. It is not another project but rather a new way of thinking about how we engage with children, young people and families.'

The *Faith in the Nexus* research report identifies how church primary schools, in collaboration with churches and other interested groups, facilitate opportunities for children's exploration of faith/spiritual life

○ *Local community*

Develop engagement with the local community:

- explore ways of strengthening community links and taking social action
- Help and support pupils in being courageous advocates for change locally, as well nationally and globally (this links to the above SIAMS strands).

in the home. It offers a vital contribution to understanding the connection between home, school and Church and children's spiritual lives. Download their report here: <http://nicer.org.uk/> and watch these 2 short Faith in the Nexus animations:

- This animation asks questions about the spiritual flourishing of young people <https://youtu.be/RGNXewx4wtQ>
- This animation is for parents and their part in supporting their child's spirituality <https://youtu.be/fl-iXfQMgfE>

Examples of how this might be achieved are:

- participating in local community projects and initiatives
- possibly making the academy premises available for community use
- engaging pupils in local community initiatives e.g. food banks, litter picking, visiting the elderly etc.

For example, if on a walkabout a governor noticed that there was a loose wire their role is solely to point it out.</p> <p><i>Monitoring form for governors – see Governor Hub</i></p> <p><i>Academy to provide Asset management plan</i></p>
<p><b>Equalities</b></p> <ul style="list-style-type: none"> <li>• Monitor application of the academy’s equalities statement</li> <li>• Ensure that the equality information and objectives, as set out in the Trust and academy statements, are published and communicated throughout the academy, including to staff, pupils and parents / carers.</li> </ul>	<p>Governors need to ensure they’re familiar with all relevant legislation and the contents of the ‘Equality Information and Objectives’ document. This is the Trust’s equalities statement, but it also incorporates the individual academy’s statement, and details the AGC specific role.</p> <p><i>‘Equalities Information and Objectives document’ – see the academy website.</i></p>

	<p><i>Guidance on completing the academy statement – see the ‘Equality Information and Objectives’ document on Governor Hub.</i></p> <p>Governors need to look for evidence that what is documented in the academy’s statement is happening in practice.</p>
