

Pytchley Primary School House Captains.

September 2021.

Overview.

In all year's groups across the school children are a member of a school house.

We often use the house teams when grouping children for different activities and for sporting competitions. We like the children to have coloured house t-shirts so that they can be identified and easily grouped in lessons as well as other events such as sports days.

This year we are also introducing values house rewards.

Our houses are St George, St Patrick, St David and St Andrew.

For each house there should be 2 house captains nominated from Year5 and Year 6.

Role and Expectations of House and Vice House Captains

The role of House are ones of privilege, pride and responsibility. They are more than just a title and badge and require dedication and commitment for an entire year. The children take part in active citizenship, whereby they lead a series of charitable events throughout the school.

House Captains are elected by the children in their House after giving a speech about what they can offer.

Each Captain will be different and will contribute an assortment of skills and ideas to the job.
