Northamptonshire Mental Health Awareness

This year we are taking part in Northamptonshire Mental Health Awareness day.

This will begin with a visit from Tessa Parkinson who is undertaking “Challenge Tessa” by, visiting as many schools as possible to drop off resources (bookmarks, bubbles and leaflets) and to collect school stamps on her jumpsuit!

Then, on Friday 9th February at 12 o'clock we will be having a whole school ‘Bubblethon’ – a mass blowing of bubbles along with many other schools in Northamptonshire.

Safeguarding - Attendance and Lateness

*Please can we remind you that pupils need to be in school for **9am register**. If children arrive after this time we ask that parents leave the child at the school office and staff will take them down to class. **Parents will be required to complete a form giving a reason for them being late.***

***Illness** – if your child is off through illness we do ask that you contact the school on a daily basis a reason for their absence.*

Safeguarding

If you have arranged for your child to be collected by somebody else please can you let the school office know as soon as possible to prevent confusion. We may at times ask for a password to be used to be clear we have the right person collecting.

New online guide to websites used by children

Do you know enough to talk to your child about online safety? The NSPCC have launched a new online guide called Net Aware to help parent, carers and anyone working with children find out more about the websites children and young people are using.

This really useful resource enables you to look up a wide range of commonly used websites, apps and online games and find out what they do, if there are any risks involved, whether privacy settings can be used and other information that will help keep children and young people safe online.

Young people told the NSPCC that the top 3 topics they most want to discuss with their parents around online safety are:

- Privacy settings
- Cyber bullying
- Staying safe from strangers

The Net Aware website will give you the information you need to discuss these issues with the children and young people in your family.

Follow the links to the Net Aware website below to find out about:

- [Video Chat Apps](#) (BBM, Facebook, MeowChat, ooVoo and more)
- [Social gaming](#) (including Minecraft, Clash of Clans, Call of Duty, ClubPenguin and more)

Go to www.net-aware.org.uk to use the simple guide.

There's also a [useful downloadable guide for parents and families](#) that you can print out and use to talk through online safety issues with your child.
