Dear Parents/Carers.

Another week has flown by. It seems strange writing to you all, having not seen so many of you for such a long time.

Both myself and Mr Dix have enjoyed catching up with so many of you during our weekly phone conversations, it is lovely to hear how you are all doing with the home learning and that you are all staying healthy and safe.

These are very unusual times for us as a school community and we really do appreciate the feedback we are being given. The staff really are enjoying seeing all of the learning on Google Classroom; I would like to thank you for your support with this.

I have had a lovely week receiving work from some of the challenges I set last week. These children have all received a prize and certificate. Well done.

As a school, we will continue to support the home learning through Google Classroom. If you require any support then please contact the teachers directly using Google Classroom.

I will continue to issue some challenges for the children in my weekly newsletters. This week we will also be trialling Zoom calls with some children. If this were something, which you feel would help your child then please let me know ([head@pytchley.northants-ecl.gov.uk](mailto:head@pytchley.northants-ecl.gov.uk)).

Once again thank you for your support

Tania Watts

(Head Teacher)

## **This week's challenges:**

I have lots of certificates and prizes for the challenges completed this week!!!!

### **Challenge 1 (EYFS/KS1)**

Build a Lego monster and send me a picture. What have you called your monster?

### **Challenge 2 (EYFS/KS1)**

Build your own superhero/mermaid cone. (Templates are on the website.) Send me a picture.

### **Challenge 3 (EYFS/KS1)**

Make a nature butterfly (Templates on website) Send me a picture.

### **Challenge 4 (For all)**

Growing a sunflower and cress. Let me know I can drop round the resources for you to grow your sunflower and cress. This will take long but you can record how you do and keep me informed.

**Challenge 5: (KS2)**

Design a card to send to key workers.

**Challenge 6: (KS2)**

Design logos for the schoolhouses.

St David, St George, St Patrick, St Andrew.
