Dear Parents/Carers.

Another week has gone by at Pytchley Primary School. It seems strange writing to you when we should be busy planning for VE celebrations and looking forward to our May Fayre celebrations, however we are still in this period of uncertainty.

At school we have been missing seeing the children and listening to their stories. Therefore, this week we have started speaking to the children using Zoom chats. This has been extremely successful. Both the staff and the children have enjoyed this and have asked second meetings to be arranged. If this is something, you feel would help, you and your child then please let me know and we will try to arrange this.

As we wait to hear if there are changes to the lockdown, I would like to assure you that as a school we continue to be here for you and your children and if you need anything then please do let us know.

Stay safe and enjoy the beautiful weather.

Tania Watts

Head Teacher.

Updates:

Year 6

We are hoping that we return to school in some form before the summer holidays; however, we want to make plans for the year 6 cohort. Currently we are looking at the hooded jumpers for the children and I have been talking to some parents about some form of year 6 event, even over the summer if we can. Please could you let me know if you have any ideas on how we can manage this event to ensure that the children get their opportunity to celebrate their time at Pytchley Primary School? I would appreciate any emails reading this.

Challenges:

Let me know how you celebrated VE day. This could be in a diary entry, poster, picture or story format. We would love to hear from you.

I have really enjoyed bringing round certificates and prizes and seeing some of you, from a safe distance. I will continue to run these challenges whilst we are closed.

Good luck
